

Responsibility Role Plays

Here are some role plays on the topic of RESPONSIBILITY that you can practice with your students:

- Your mom is yelling at you because you haven't cleaned your room in a month. What do you say/do?
- You borrowed your best friend's favorite CD (or video game) and lost it. You just can't find it anywhere. What do you say to him/her and what do you do to take responsibility?
- You accidentally knocked over someone's art project in your classroom, and no one saw you do it. The project is crushed. After a while the student who made it notices that the project is ruined. He gets upset and tells the teacher. The teacher asks the whole class what happened. What do you do?
- You made a commitment to spend the weekend working on your part of a class project that's due Monday. Then, a friend invites you to go with his/her family on a weekend camping trip in the mountains. How can you be responsible in this situation?
